How to self-crimp your bottles

1. Fill the bottle with your fragrance
2. Remove the atomizer from the pump
3. Attach the pump to the bottle
4. Place the collar over the pump
5. Push down the collar to crimp the bottle
6. Re-attach the atomiser
7. You now have a complete bottle

FAQ

1. Minimum ordering quantity for bottles is one
2. Always check that you have all components when you receive your orders.
3. Always check stock availability when placing your order.
4. All prices are inclusive of VAT
